***Re: Notice of Ex Parte Meeting
WP Docket No. 16-261
RM-11719
RM-11722***

Dear Ms. Dortch:

On Thursday, June 29, 2017, representatives of The Monitoring Association (formerly CSAA) and the related Alarm Industry Communications Committee ("AICC")(collectively "TMA"), including Louis Fiore, AICC Chairman and John Prendergast of the law firm of Blooston Mordkofsky Dickens Duffy & Prendergast, LLP, met with the following members of the Wireless Telecommunications Bureau staff: Scot Stone; Stana Kimball; and Melvin Spann. During the meeting, the parties discussed the information set forth in the May 8, 2017 Joint Ex Parte Comments filed by the Land Mobile Communications Council and TMA in the above-referenced proceedings. TMA addressed the staff's questions regarding the proposed rule changes and coordination protocol for the central station frequencies as discussed in the consensus proposal attached to the May 8 filing, and discussed the status of the rulemaking, the impact of WRC-15 Resolution No. 766 and related matters.

Consistent with section 1.1206 of the Commission's rules, 47 C.F.R. §1.1206, one copy of this notice is being filed electronically and in native format in the above-captioned proceeding. Please direct any questions concerning the above matter to the undersigned at (202) 828-5540.

Sincerely,

/s/

John A. Prendergast
